Softwares & Tools

Work experience

JAN 2020 - PRESENT
Senior UI/Visual Designer
Freelancing - Sydney, Australia & Bordeaux, France

UI Design · UX Design · Webdesign · HTML/CSS · ReactJS · Branding · Illustration
Photography · Video · Editing · Motion Design

AUG 2022 - JUN 2023
Senior UI Designer
Pollen - Sydney, Australia

UI Design · UX Design · Webdesign · Branding

I got the chance to work on various projects from cultural institutions such as museums as well as government missions or even eshop for sustainable brands, helping with discovery and delivery, crafting Design Systems from scratch.

JUL 2021 - APR 2022
Senior UI/UX Designer
Bilue - Sydney, Australia

UI Design · UX Design · Webdesign · Wireframing · Prototyping · User research

I operated on several yet different projects involving discovery, workshops and user interviews in order to create websites for various types of clients.

AUG 2020 - JUL 2021
UI/Visual Designer
Telstra - Sydney, Australia
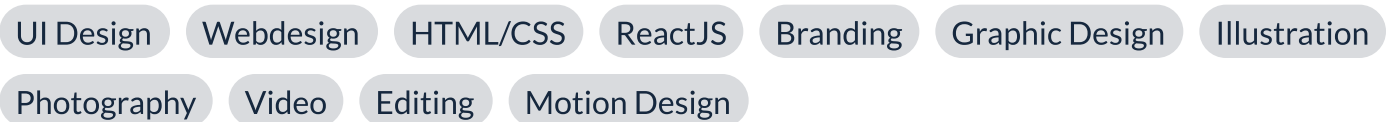

UI Design · Visual Design · Illustration

I focused on the Enterprise and International part of the business, I had to deliver illustrations and UI components in collaboration with the Design System team while aiming towards WCAG 2.0 compliance standards.

NOV 2016 - NOV 2019
Product Designer
Healthshare - Sydney, Australia

UI Design · Webdesign · HTML/CSS · ReactJS · Branding · Graphic Design · Illustration
Photography · Video · Editing · Motion Design

I worked on the company digital products as well as the rebranding which involved coding up the corporate website and delivering various marketing assets.

NOV 2013 - MAR 2017
Designer + Photographer
Freelancing - Sydney, Australia & Bordeaux, France

UI Design · Webdesign · HTML/CSS · Branding · Graphic Design · Photography

SEP 2010 - JAN 2014
Designer - Front-end Developer
Definima - Bordeaux, France

Webdesign · HTML/CSS · Branding · Graphic Design · Photography · Video · Editing
Motion Design
