Work experience

JAN 2024 - PRESENT

Senior Product Designer

Jow - Paris, France (remote)

I engaged in continuous initiatives to enhance the app's quality by leveraging business insights and user feedback to create new features and refine the UI.

`UI` `UX` `Icon Design`

JAN 2020 - PRESENT

Senior UI/Visual Designer

Freelancing - Sydney, Australia & Bordeaux, France

`UI` `UX` `Webdesign` `HTML/CSS` `ReactJS` `Branding` `Photography`

AUG 2022 - JUN 2023

Senior UI Designer

Pollen - Sydney, Australia

I collaborated on a range of projects with cultural institutions like museums, government initiatives, or e-shops for sustainable brands, assisting in both discovery and delivery while developing Design Systems from the ground up.

`UI` `UX` `Visual Design` `Branding` `User research`

JUL 2021 - APR 2022

Senior UI/UX Designer

Bilue - Sydney, Australia

I worked on a range of diverse projects that included discovery sessions, workshops, and user interviews to develop websites for a variety of clients.

`UI` `UX` `Web` `Wireframing` `Prototyping` `User research`

AUG 2020 - JUL 2021

UI/Visual Designer

Telstra - Sydney, Australia

I concentrated on the Enterprise and International sectors of the business, delivering illustrations and UI components in partnership with the Design System team, all while striving to meet WCAG 2.0 compliance standards.

`UI` `Visual Design` `Illustration`

NOV 2016 - NOV 2019

Product Designer

Healthshare - Sydney, Australia

I helped with product development and rebranding, coding the corporate website and creating marketing materials.
